## Drum Sets

### Solid Shell Sets

Craviotto Classic and Craviotto Custom solid shell drumsets feature Craviotto's signature natural solid wood shell in their selection of Bass, Tom & Snare drums. It's the Sound that counts... Craviotto Drum Company's solid shell construction creates the tonal balance revered by engineers and artists, regardless of the size, dimensions and specifications

### Custom Shop Series

The Craviotto Custom Shop offers a complete selection of Maple and Exotic wood shells, sizes, hardware and finishes. Each superbly-crafted, one-of-a-kind set includes your personalized specifications and a certificate of authenticity along with a consultation with master drum builder Johnny Craviotto, himself. For pricing and availability contact an authorized Craviotto Drum Co. Dealer.

Bass 14"x24"

Snare 8"x14"

Rack 9"x13"

Floor Tom 16"x16" 16"x18"

Walnut drumset featuring Craviotto's exclusive new "One-Ply" drumshells made from perfectly matched sections of wood that are joined into a virtually seamless shell and finished with a deluxe "Diamond" inlay. Kit includes 14x24" bass drum, 8x14" snare drums, 9x13" mounted tom and 16x16" and 16x18" floor toms (Natural Oil).

Custom finishes and other features are available at additional cost.

### Craviotto Classic Series

Designed for the traditionalist, this series features standard sized drums with the distinctive Craviotto natural wood tone.

Bass 14"x18"

Rack Tom 8"x12"

Floor Tom 14"x14"

Snare Options: 4"x14" 5.5"x14" 6.5"x14"

## Snare Drums

### Craviotto Solid Shell Snare Drums

#### Diamond Cast Series

Craviotto Diamond Cast Series Solid Shell Snare Drums:

An extraordinary alternative for everyday situations, the new Diamond Cast Series Edition solid-shell maple snare drum from Craviotto is the one drum for all occasions. In addition to Craviotto's legendary solid maple shell with matching top and bottom reinforcing hoops and precisely applied bearing edges, each Diamond Cast Series Edition drum features exclusive "Diamond" cast lugs, badge and butt-plate. A rich, hand-rubbed natural satin oil finish further enhances the drum's overall appearance and performance.

List of standard equipment: chrome-plated, heavy-gauge, triple-flanged counterhoops, Dunnett R Class Throw Off, deluxe snare wires, top-quality Ambassador® drumheads by Remo, and a Craviotto drumkey. All Diamond Cast Series drums are shipped in a specially-designed, reinforced cordura drum bag.

Available at leading drum shops in your choice of color and size options—including the new 5.5×13", and 6.5×13" models.

## Diamond Tube Lug Edition

Craviotto Diamond Tube Lug Edition Series Solid Shell Snare Drums:

Consist of high-performance and highly collectible solid-shell snare drums, made from exotic woods. American Ash, Birdseye Maple, Black Cherry and Mahogany allow a distinctive quality of sound and response to emerge due to the organic variety in the grain pattern and density and mass of each board. The rarity and limited availability of these exotic woods is what makes these drums Limited, with only 250 sequentially numbered drums of each collection produced.

Each drum in the Diamond Tube Lug Edition Snare Drum Collection features hand-selected, handcrafted shells and gleaming chrome-plated hardware along with premium-quality components including Craviotto's "Diamond" tube lugs, Remo Ambassador drumheads and Puresound 21-strand snare wires. All drums come with a heavy-duty, padded Craviotto drum bag, and Trick GS 007 strainer. Options include a choice of heavy-gauge (2.3mm) triple-flanged Vintage style straight or diecast counterhoops and natural satin oil or high-gloss lacquer finishes.

## Craviotto Concert Series Snare Drums

Craviotto Drum Company, in partnership with Bill Platt (Cincinnati Symphony Orchestra), is now offering four models in their Concert Series snare line. These drums feature Craviotto's legendary one-ply steam bent shell + exclusive concert snare wires (cable, gut, and wire) & concert-customized Trick GS007 throw-off. The Craviotto Concert Series includes traditional 5.5×14" / 6.5×14" sizes, with the addition of new 8×14" and 12×15" Field Drum offerings. These drums offer the concert player depth, sensitivity and clarity for all classical and contemporary situations. Each drum features a hand-crafted solid "one-ply" maple shell, exclusive diamond inlay, Craviotto's signature diamond tube-lugs, heavy gauge 2.3mm counterhoops, and Remo drumheads.
