## Product information *Xylophones*

**PSX 1001**

3.5 octave F4 - C8 African Padouk

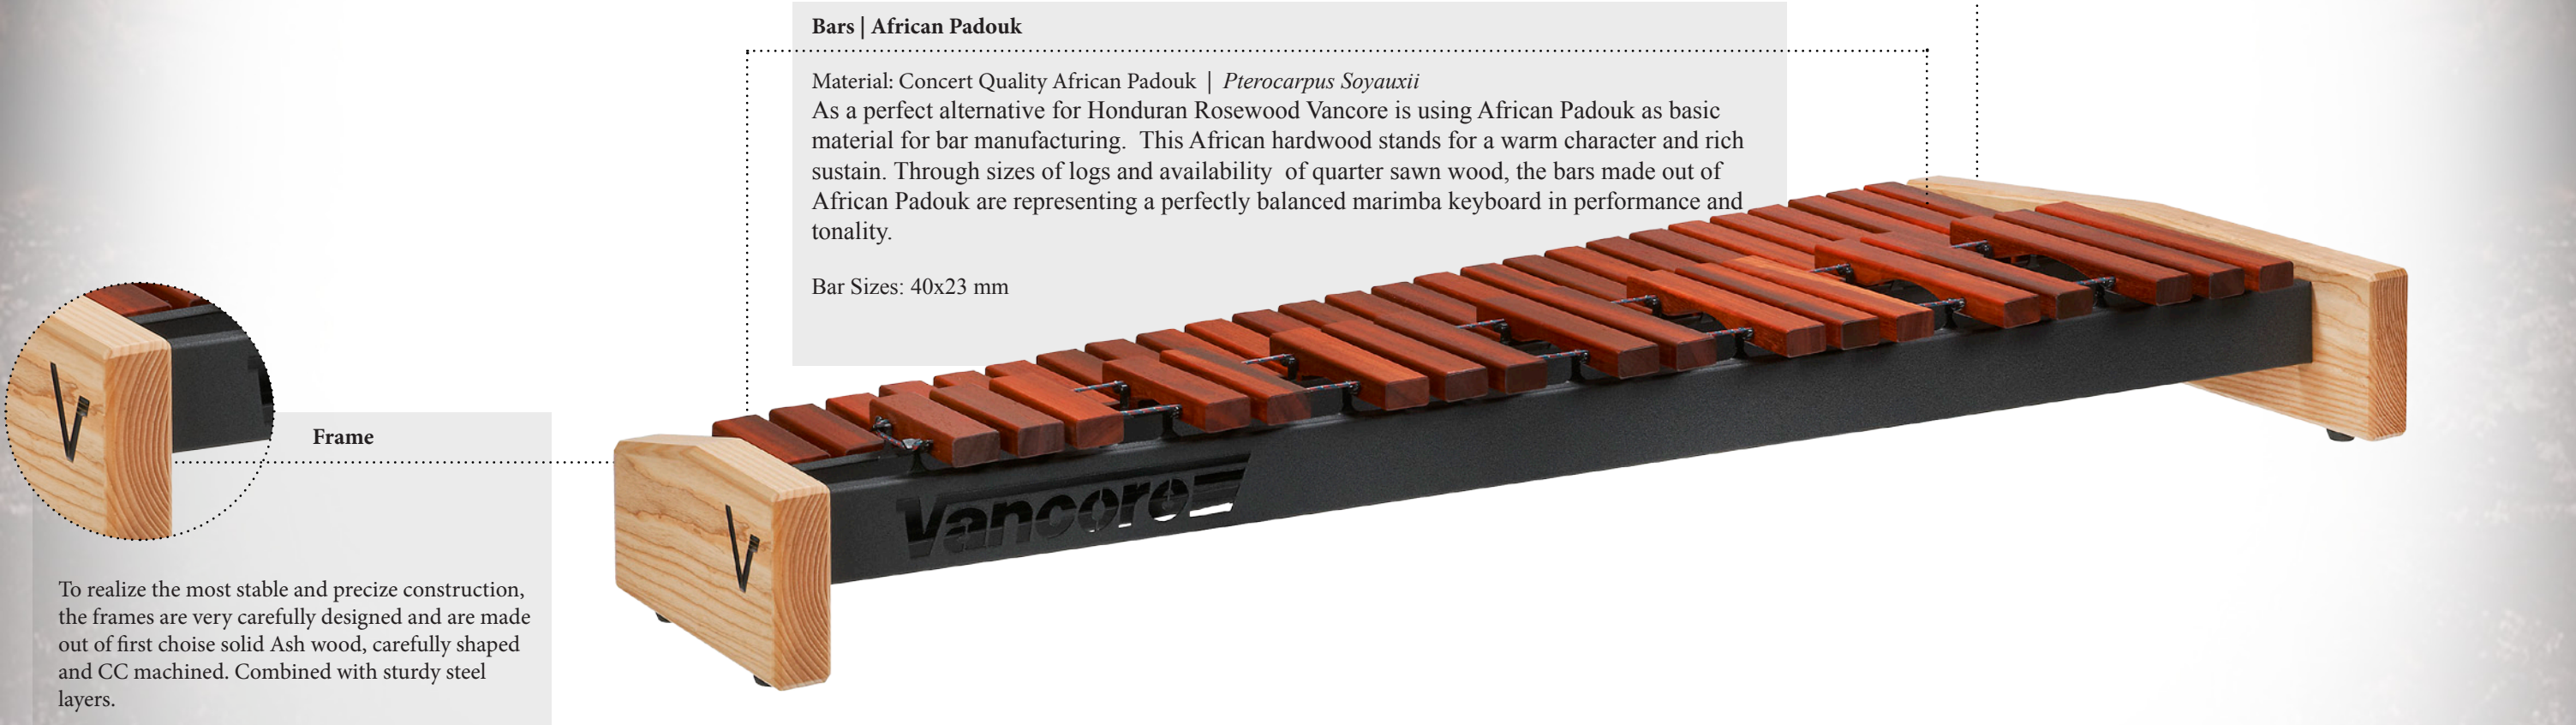

## Performing Standard Series

A complete series of mallet instruments designed for the budget minded students, orchestras and ensembles. These instruments feature the same selected bar materials and carefully handcrafted resonators, which are used for the Custom Classic Series. The frames of these instruments are manufactured using European Ashwood and high grade steel components. Height adjustment of these models can be executed manually very easily.

## Performing Standard 1000 Series | PSX 1001

To extend our line of xylophones from an efficient manufacturing standpoint, together with top quality, we designed our Performing Standard 1000 Series xylophones. This beautiful xylophone assembly is equipped with our unique Integrated Rail System (ICS). Very easy to break down and assemble through snap on rail attachment. .

## Build up Set

We designed the PSB 1000 build up system especially for the beginning mallet player. The table top xylophone (PSX 1001/2/3) can be purchased separate from the resonators and stand.
